## Web and App Developer

Malappuram, Kerala | +919895165713 | mohammedjabirct@gmail.com | github.com/Mohammed-Jabir-CT

---

### PROFILE SUMMARY

As a recent computer science graduate with a passion for web and app development, I have gained valuable experience in various application projects. I am skilled in creating web and app projects with a strong knowledge of frameworks like Flutter & ReactJS, and in languages such as PHP. As a proactive and detail-oriented individual, I am eager to contribute my skills to innovative and challenging projects in the tech industry.
